

ADMIRAL MAKAROV NATIONAL UNIVERSITY OF SHIPBUILDING

Address: 9, Geroyi Stalingradu Ave., Mykolayiv, telephone: (8-0512)359148,424652,

Web: <http://www.nuos.edu.ua> ; E-mail: pk@usmtu.edu.ua

announces the admission of students to full-time and extramural form of studies in 2010

Educational institution of IV level of accreditation. **License:** Serial No. AB 482347 dated September 7, 2009. **Certificate:** Serial ПД-IV No. 152298 dated September 7, 2009.

Historical information: **1920** – the year of foundation; **1930** - Mykolayiv Shipbuilding Institute; **1994** - Ukrainian State Maritime Technical University; **2004** - Admiral Makarov National University of Shipbuilding.

Form of studies: full-time and extramural (distant), externship; to the places of the state inquiries at the expense of private individuals or legal entities.

The structure of the University: The Institute of Computer, Engineering and Technological Sciences, The Mechanical Engineering Institute, The Institute of Automatic Control and Electrical Engineering, The Institute of Humanities, The Shipbuilding Institute, The Engineering and Economic Faculty, The Institute of Extramural and Distant Learning, The Centre of the Pre-university Training.

Terms: full-time form of studies – Bachelor – 4 year, Specialist – 5,5 year; Master – 5,5 year; extramural form of education – Bachelor – 4,5 year, Specialist – 5,5-6 year; Master – 5,5-6 year.

The University prepares professionals according to educational and qualifying levels: Bachelor, Specialist, Master and professionals of the higher qualification through postgraduate and doctoral studies.

You can get the second higher education at University.

Besides preparation of highly qualified professionals the scientific work is held at the University, the main fields of which include a wide range of fundamental and applied questions. The University is collective member of Academy of Engineering Sciences of Ukraine, Academy of Sciences for Higher Education of Ukraine and others. Academy of Shipbuilding Sciences was founded on the basis of the NUS. In terms of the world cooperation and intergovernmental integration the University continues developing of international relations with other countries. The University stimulates long lasting fruitful relations with the universities, research institutions and industrial enterprises of the USA, Great Britain, Germany, China, Poland, Romania, Bulgaria, Iran, Vietnam and CIS-countries.

The University scientists attend more than 12 countries of America, Asia, Europe and Africa lecturing, do the scientific research on the contract basis for many customers abroad in the field of shipbuilding and marine structures, ship electric engineering, new technologies and materials, electronics etc.

University branches: Kherson branch of the NUS, Pervomaisk Polytechnic Institute, Feodosia Polytechnic Institute, Tockmak Educational and Consulting Centre, Kyiv Educational and Consulting Centre.

Physical infrastructure in Mykolayiv: 3 academic sectors, modern laboratories, 3 libraries, computer rooms, Internet.

At students' service: 2 hostels, cafeterias, gyms, recreation camps in Ochakov and Koblevo, Culture and Leisure Center. The Students' Parliament operates at the University.

Calendar for entrants on the basis of full secondary education

Stages of the entrance procedure		Full-time form of studies	in-service training
Beginning of the applications and documents exception		July 15, 2010	
Finishing of the applications and documents exception from the entrants, who must take preliminary examination and creative contests (study fields: “Physical Training and Sport”, “Design”)		July 22, 2010	August 12,2010
Finishing of the applications and documents exception from the entrants, who don't take preliminary examination and creative contests		July 31, 2010	
Preliminary examination and creative contests period		July 23-31, 2010	August 13-20, 2010
Date of the entrants' rating list disclosure		August 1, 2010	August 13, 2010
Date of entrants admission	according to the state inquiries	August 10, 2010	August 25,2010
	at the expense of private individuals or legal entities	August 25, 2010	

Admissions Committee address: 3, Lenina Ave., Mykolayiv, 54010, room 224, 222, telephone: (8-0512)47-97-47

The list of study fields and specialties

No	Code of the study field	Study field	Specialty	Subject name	
				Core subject	subjects
1	6.051201	Shipbuilding and Ocean Technologies	Ships and Ocean Technologies	Mathematics	Ukrainian Language and Literature, Mathematics, Physics or History of Ukraine or Foreign Language or Biology or Chemistry or Geography (at an entrant's option)
			Ship Power Plants and Equipment		
2	6.050504	Welding	Technology and Equipment of welding		
3	6.050403	Engineering Material Science	Composite Powder Materials and Coatings		
4	6.051101	Aviation and Cosmonautics	Design and Production of Composite Materials		
5	6.050701	Electrical Engineering and Electrical Technologies.	High-Voltage Technology and Electrophysics		
6	6.051003	Devices	Precise Mechanical Devices		
7	6.050702	Electromechanics	Electrical Transport		Ukrainian

			Systems and Complexes	Mathematics	Language and Literature, Mathematics, Physics or History of Ukraine or Foreign Language (at an entrant's option)
			Electro-Mechanical Systems of Automation and Electric Drive		
8	6.050802	Electronic Devices and Systems	Electronic Systems		
9	6.050201	System Engineering	Systems of Management and Automation		
10	6.050102	Computer Engineering	Specialized Computer Systems		
11	6.170102	Technical Information Security Systems.	Information Security with Restricted Access and Automation of Information.		
12	6.050103	Software Engineering	Software for Automation Systems		
13	6.050101	Computer Science	Information Management Systems and Technologies		
14	6.050601	Heat Power Engineering	Heat Power Engineering		
15	6.050604	Power Mechanical Engineering	Turbines		
			Refrigerating Machinery and Sets		
16	6.050502	Engineering Mechanics	Engineering Technology		
17	6.050503	Mechanical Engineering	Internal Combustion Engines		
18	6.040106	Ecology, Environmental Protection and Sustainable Nature Management.	Ecology and Environmental Protection.	Mathematics	Ukrainian Language and Literature, Mathematics, Physics or History of Ukraine or Foreign Language or Biology or Chemistry (at the entrant's option)
19	6.030504	Enterprise Economics	Enterprise Economics	Mathematics	Ukrainian Language and Literature, Mathematics, Physics or History of Ukraine or Foreign Language or Geography (at an entrant's option)
20	6.030509	Audit and Accounting	Audit and Accounting		
21	6.030508	Finance and Credits	Finance		
22	6.030601	Management	Management of Enterprises		
23	6.030402	Law	Law	History of	Ukrainian

				Ukraine	Language and Literature, Mathematics, Mathematics or Foreign Language (at an entrant's option)
24	6.020207	Design	Design	Creative contest (Drawing)	Ukrainian Language and Literature, History of Ukraine, Creative Contest (Drawing), Creative Contest (Painting), Creative Contest (Composition), Creative Contest (Interior Design Basics)
25	6.020303	Philology	Applied Linguistics	The English Language	Ukrainian Language and Literature English Language Mathematics
26	6.010202	Physical Training and Sport	Olympic and Professional Sport	Creative contest (sports specialization)	Ukrainian Language and Literature History of Ukraine Creative Contest (Sports Specialization) Creative Contest
